# Introduction

The global cigar market was valued at USD 36,673,340,000 in 2020 and is projected to register a CAGR of 11.54% during the forecast period of 2021-2026 (\*).

Increased consumer inclination of the products complimenting opulent lifestyle that is parallel to the rapid growing premiumization of cigars, has been lifting the cigar market globally.

# About Us

CigarCoin was created by a group of enthusiasts, investors and cigar collectors from New York.

**CigarCoin** is a blockchain platform based on Ethereum and the ERC20 protocol. Ethereum Blockchain is a public ledger that keeps records of all Ethereum related transactions. **CigarCoin** will be shared between all participants, and is based on a reward mechanism as an incentive for users to run the Ethereum transactions network

## A Ethereum platform

By choosing Ethereum platform for **CigarCoin** project, we have provided all our users with the most secure and stable blockchain platform on the market.

**CigarCoin is a blockchain platform based on Ethereum and the ERC20 protocol**

## B Main purpose

The main purpose of using Blockchain Network in the **CigarCoin** project is to make the payment system and user's data safe and smoother without making the interface more complex and giving the power back to users.

# About project

CigarCoin will enable all cigar lovers and enthusiasts from all over the world to:

1

## Make Payments

To make all payments (collect, buy, pay or sell) quickly and efficiently into CigarCoin.

# Our Core Values

## Satisfy our users

With innovative technology and superior quality, value and service.

## Innovation

There is an old saying “It’s not what you know but who you know”. In an innovation team, there is no way to separate the individual innovator from his network.

## Responsibility

Each of us is responsible for our words, our actions, and our results.

## Passion

Recognize that passion and personality matter, bringing out the best in everyone while creating fun comfort zone.

## Teamwork

We achieve more when we unite and collaborate

## Simplicity

By setting all our senses free, we enjoy the beauty of our environment.
